The Booking Essentials

CHARLIE GREENWOOD

— HOW IT WORKS —

1. CHECK ME OUT

Have a scroll! You'll find me in all the usual places. A great place to start is my website where you'll find LOTS of info on my Weddings page, Testimonials from happy clients, plenty of singing in my Gallery, and other fun things. Social media is great for checking out live examples of what I might bring to your wedding.

2. ENQUIRE

Intrigued? Get in touch via my Contact Form (on my website or the link in my Insta bio). Tell me your date and venue (if known), the package you'd like, and any particular ideas or requests. I'll get back to you within 48 hours with my availability and a personalised quote. If I'm sadly unavailable, I'll recommend some other wonderful singers for you!

3. CONSIDER

Once you have my quote, feel free to ask anything else you like - no question is too small or random! You can ask me about a special song you'd like me to sing, request a little voice note demo, tell me about a special moment, style or vision you have in mind... I'm here for it all!

4. BOOK!

Once you've decided to go ahead (yay!) say the word and I will send across your Booking Confirmation, T & Cs and a 25% deposit invoice to secure your date. It's official!
